Private & Confidential The Cottage
Anyroad

My dear Friend

I have sent you
by the mail today a copy
of the District Judge's instr
uction to the Trustees in
the matter of their proceedings
regarding the retirement
of the Head master, Mr
Mallappis High School.

Is it not queer that
the Dewan's Secretary
rather the Chief Secretary
to Govt. should write a
Confidential D.O. and
ask the district judge
should quote its authority
to interfere with the
proceedings of the Trustees

Quite funny isn't it?

The whole is so ugly
& ridiculous
to be exposed
to ridicule.

Yours Sincerely
A Narasimha Iyengar
